

June 8, 2011 Approved Actions of the Commissioners

1. The minutes of the May 11, 2011 meeting were approved as submitted.
2. It was reported that the "No Thru Trucks" sign at Exit 12 is missing and will be replaced.
3. The Commission is working with the RCA to better coordinate Bayley Beach entry on July 2, 2011, the night of the Fireworks.
4. New lighting around the Community Center will be installed shortly.
5. One of the former beach application processors was granted a waiver on the late fee this one time.
6. The newly planted trees on the Community Center property and along Highland Avenue will be checked regularly to monitor watering needs.
7. The Treasurer's report indicated that we are on or under budget for expenses in the current Fiscal Year and over budget for incoming revenue. The District has saved on tipping fees this year which is a result of more extensive recycling by residents.
