AuthorTalk with NY Times Correspondent / Rowayton Author Kate Zernike and her new book *Boiling Mad: Inside Tea Party America*, Friday Evening, November 19th @ 7pm

The Tea Party has emerged as the wild-card player in this year's midterm election. While many commentators have attempted to analyze this movement in one-off interviews and articles, none has taken us up close with its activists, and none has dug deep into the movement's philosophical and cultural underpinnings. Kate Zernike, 2002 Pulitzer Prize winning reporter for *The New York Times*, is the exception. Her book is the first and only definitive account of who the Tea Partiers are, where they came from, what they stand for, and what they mean for the future of American politics. Refreshments, discussion and book signing. RSVP please.
